

JOIN THE TEAM

We are Hiring

We are hiring an ambitious Graduate Planner or Planner (with 1-2 years experience) to join our growing Planning Team.

About us...

Master Land and Planning Ltd is a development and planning consultancy that offers bespoke and innovative services to support landowners, developers and communities to make effective land-use planning decisions.

We work for a broad range of clients on primarily residential projects across varying scales and wide-ranging services including project management of Planning Applications, Planning Appeals, the preparation of technical reports, and promotion of land through a Development Plan.

We also focus on supporting communities through the preparation of their Neighbourhood Plans, providing independent advice and support at all stages of the plan preparation process, from initial inception, policy drafting and consultation, through the final examination and referendum.

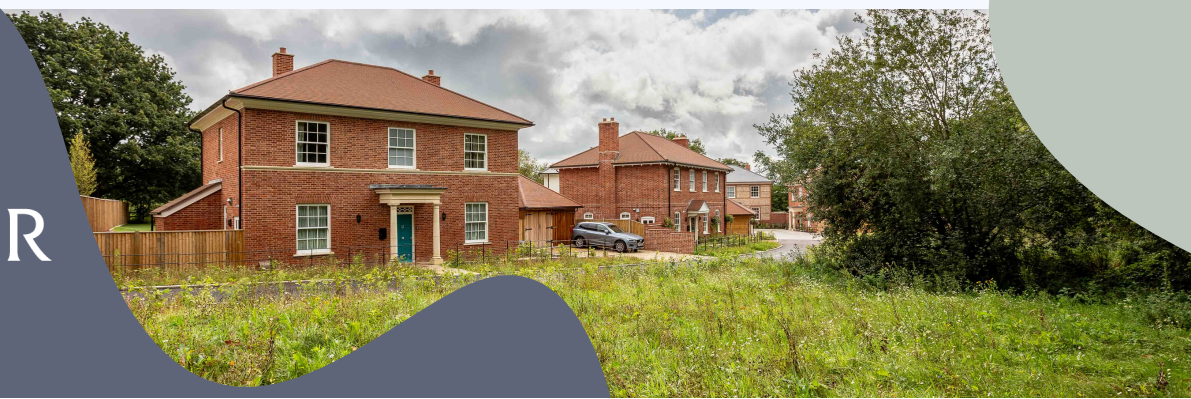

We wish to expand our team and are looking for a talented and motivated town planner at the start of their career to join our team.

About you...

This is a varied and interesting role which will suit someone who has recently graduated or is in their first years of planning and is looking to progress their career journey into planning consultancy. You will ideally have a fully accredited RTPI qualification, excellent communication skills, both written and oral, be a driven individual and good team player. As a Graduate Planner / Planner in our team you will need to work and communicate with professionals in a number of complimentary disciplines including architecture, heritage, ecology, and landscaping, as well as be able to think outside the box to engage with communities.
